

600 Interstate 20 East  
Stanton, Texas 79782

If life has set you back through an illness, injury, or surgery and you find yourself needing a little extra time to heal, The Swing Bed Program at Martin County Hospital, may be just what you need.

We will have an Open House every Thursday in August (4th, 11th, 18th and 25th) from 4PM-5PM, for the community to learn more about our Swing Bed Program.

Choose the date that best fits your schedule, come meet our Hospital Leaders, Tour our Medical Surgical Unit and Therapy Department.

Enjoy snacks, beverages,  
and give-a-ways!
