

Press Release October 6, 2022

Martin County Family Clinic is pleased to announce the addition of Alicia Hernandez, MSN, APRN, FNP-C to our staff. Ms. Hernandez' focus will be providing care to students in the School Based Clinics sponsored by Martin County Family Clinic.

Ms. Hernandez is a professionally trained Family Nurse Practitioner. She is a graduate of Walden University where she received her Masters of Science in Nursing. She has worked in the primary care setting for three and half years, and also in urgent care facilities. Prior to that, she worked for 16 years as a registered nurse in the acute care setting, ensuring high standards of care for a wide variety of patients with diverse needs. Ms. Hernandez enjoys treating patients of all ages. She takes pride in developing a rapport with her patients and treating both their complex and common diagnosis.

In her spare time, she enjoys long walks and camping and fishing with her family.

Martin County Family Clinic is currently providing school based clinic services to the Stanton, Grady, Greenwood and Garden City ISD's. Through telehealth services, students, faculty and staff are able to see a provider during school hours without leaving campus. The school nurse on each campus helps facilitate the visit.
